Holidays, Emergency & Weather Closures

We observe several holidays each year. These are paid holidays — tuition is not reduced or credited when we are closed.

✦ WE ARE CLOSED FOR

- Martin Luther King Jr. Day
- Presidents Day
- Memorial Day
- Juneteenth — June 19
- Independence Day — July 4
- Labor Day
- Indigenous Peoples' Day
- Thanksgiving Day and the day after
- **Winter break** — Christmas Eve through January 1. Care resumes the first business day after January 1.

When a holiday falls on a **Saturday**, it is observed the **Friday before**. When it falls on a **Sunday**, it is observed the **Monday after**.

✦ WEATHER & EMERGENCY CLOSURES

We may also close for severe weather, emergencies, or other circumstances affecting the safety of children and staff. Weather-related closures generally follow the **Beaverton School District's** closure guidance. Tuition is not reduced or credited for these closures.

✦ CHILD ABSENCES

There is **no charge** for approved excused absences, including illness, medical appointments, schedule changes communicated in advance, and family emergencies.

Family vacations are charged at regular rates for consistent part-time and full-time schedules. There is no charge when a provider illness, emergency, or scheduled vacation prevents care and no back-up is available.
